

Duración: 1h 15 minutos

The technical drawing illustrates the design of a diving mask. It includes a side profile of the mask frame and a detailed view of the skirt. The skirt is defined by a curved outer boundary and three circular cutouts for the eyes and nose. Dimension A is the vertical distance from the top of the skirt to the top of the eye cutouts. Dimension B is the horizontal distance from the left side of the skirt to the right side of the eye cutouts.

The image contains three separate geometric shapes. The top-left shape is a T-shaped figure composed of a central vertical rectangle and a horizontal rectangle attached to its top. The top-right shape is an L-shaped figure with a diagonal line segment connecting the inner corner to the bottom-right corner. The bottom-left shape is a U-shaped figure, resembling a square with a rectangular section removed from its top-left corner.

La calificación de esta parte o apartado se adaptará a lo establecido en la RESOLUCIÓN de 8 de febrero de 2017, de la Dirección General de Formación Profesional y Enseñanzas de Régimen Especial, por la que se convocan pruebas de acceso a los ciclos formativos de Formación Profesional (DOGV 13-02-2017).
